## SENIOR DESIGN DIRECTOR

### BRAND, PRODUCT & DIGITAL SYSTEMS

LYON, FRANCE · REMOTE, HYBRID, OR RELOCATION DEPENDING ON ROLE

#### PROFILE

Independent design director with 20+ years of practice across brand systems, digital products, UX/UI, and design systems. From 2019 to 2025, I co-founded and led Skarand, a strategic design consultancy focused on translating business change into coherent brand and product systems. I operate from strategy and creative direction through to prototyping and hands-on execution — aligning founders, product, design, and engineering around coherent digital outcomes.
